§2. Where is Recruit Training? How do I get on base?

Recruit Training is being held at Fort Devens, Massachusetts, approximately 35 miles northwest of Boston. Directions are included at Appendix 1 of this guide.

Fort Devens is currently at Force Protection Condition Bravo, and anticipates remaining at FPCON Bravo throughout the training. Fort Devens is therefore limiting access to those adults with Department of Defense IDs, and those adults who have been vetted by submitting a copy of their ID.

To ensure access to the base, **EVERY SINGLE ADULT** (not just drivers) **wishing to access the base for any reason** (drop-off, graduation, NSCC escort duty) **must provide a clear photocopy of their driver's license** (or other government-issued photo ID) as part of their application packet. LCDR Hull must have these photocopies in-hand no later than June 5th.

Any adult not vetted via this process should expect to be turned away at the gate. Staff cadets: if your parents are turned away, you will be turned away as well.

All adults must present a government-issued photo ID to access the base. Drivers should be prepared to show a current driver's license, registration, and proof of insurance at the gate. Cadets must have their NSCC IDs to access the base.

§3. What are the goals of Recruit Training?

Recruit Training Command New England serves two main goals:

- To train NSCC Recruits in basic military knowledge, while instilling in them the virtues of self-discipline, teamwork, accountability, self-confidence, physical fitness, and grit.
- To train NSCC Cadets in leadership by providing genuine leadership opportunities in a supervised military environment.

§4. What are the expectations for Officers and Staff Cadets?

 - be creative and proactive problem solvers
 - speak up when they see things going wrong
 - refrain from, actively discourage, and report instances of...

Region 1-1 or prior RTC-NE volunteers who have already been CORI-checked do NOT need to submit another form.

All Escort Officers must be CPR/AED certified. Any certification (AHA, Red Cross, etc.) will suffice. Include a copy of your CPR card, valid through at least July 2017, with your application.

*Do NOT send packets via any method
requiring a signature upon delivery!*

§9. Physical Fitness

All RTC-NE Recruits must pass the NSCC Physical Fitness Test during check-in to be admitted to training. All Staff Cadets must similarly pass the PFT on 01JUL17, or be sent home from the training. You can't ask the recruits to do something you can't do yourself. See Appendix 3 for the minimum physical fitness requirements for Staff Cadets.

Remember: *Leadership by Example!*

§10. What if I have a disability?

RTC-NE will make reasonable accommodations for documented disabilities. The essential requirements of Recruit Training cannot be waived, but these requirements may be modified if an adjustment or alternative can reasonably be offered by RTC-NE, given its size, nature, and limited financial and volunteer resources. The essential requirements of Recruit Training vary depending on the staff billet for which a cadet has applied and been selected. Contact the [COTC](#) with questions regarding disabilities.

Disabilities are documented on the [NSCADM001 \(page 9/10\) Request for Accommodation](#), which must be signed by Parent/Guardian, Unit Commanding Officer, cognizant Regional Director, *and* cognizant NHQ Field Representative.

To request an accommodation plan at RTC-NE, forward the completed and signed [NSCADM001 \(page 9/10\)](#) to the COTC with the rest of the application packet (see §7).

[INTENTIONALLY BLANK]

§11. What if a Staff Cadet needs to take any medications at Recruit Training?

If you intend to come to RTC-NE with **any** medications, you must fill out an [NSCADM001 \(page 7/8\) Medical History Supplemental](#) and submit it with the rest of your Staff Cadet application packet (see §7).

Unit COs must inform the COTC of the medication via the [NSCADM001 \(page 7/8\)](#) **prior to the training.**

- If you are bringing any over-the-counter medications, the [NSCADM001 \(page 7/8\)](#) must be endorsed by parent/guardian and home unit Commanding Officer.
- If you are bringing prescription medications, the [NSCADM001 \(page 7/8\)](#) must be endorsed by parent/guardian, home unit Commanding Officer, ***AND the cadet's primary care provider***. Note: RTC-NE will not administer vitamins or supplements unless they are prescribed.
- Prescription medications will only be accepted if all of the following conditions are met:
 - the cadet would not suffer grave risk to life or limb if the medication was temporarily unavailable for any reason;
 - the instructions for storing and administering the medication, including the size and frequency of dosage, circumstances which indicate administration, and (for medications requiring injection) the appropriate locations for injection, are specified in detail on a [NSCADM001 \(page 7/8\)](#), signed by parent/guardian, unit Commanding Officer, and the appropriate medical provider, and provided to the COTC prior to the start of the training;
 - the medication is in a container with an unaltered prescription label showing the cadet's name and the same storage, frequency, and dosage information submitted on the [NSCADM001 \(page 7/8\)](#);
 - the cadet's parent or guardian provides sufficient doses to cover the entire training period, but not more than necessary;
 - the "use by" date on the container has not expired;
 - pills are pre-cut if partial doses are required;
 - the medication inside the container matches any description of the medication on the prescription label or container;
 - medications requiring injection are packaged in a way that protects personnel handling sharp needles; and
 - for medications requiring injection, the Medical Department must be staffed by at least one licensed medical professional who may legally administer injections.

Because of the serious legal and health risks of improperly administering medication to cadets, if any of the criteria listed above are not fully met, RTC-NE is legally obligated to **refuse to accept the medication.** If a refused medication is necessary to a cadet's well-being, the cadet will be turned away from training.

Cadets may not hold or self-administer any medications during RTC-NE. Cadets will report to the Medical Office for each necessary administration.

Do not "withdraw" from a necessary medication for the purposes of participating in Recruit Training – it is ill-advised, unethical, and dangerous. If you need a medication, submit the appropriate paperwork ahead of time.

§12. What should Officers and Staff Cadets bring to RTC-NE?

See Appendix 2 for a modified Recruit Seabag List. Please note that NWUs are the working uniform of *preference* at RTC-NE.

§13. Can I bring a cell phone?

If you have a cell phone, please bring it (and its charger). A list of staff phone numbers will be created and circulated on 01JUL17, so that we can use cell phones as a back-up method of communication.

Staff Cadets **shall not** use their cell phones in front of Recruits, except on official business. Further, Staff Cadets **shall not** use their cell phones to take pictures, unless instructed to do so. Your smart phone may not have apps which delete messages (like Snapchat) or photo vaults (like Calculator%) installed. Violations of these rules will result in your cell phone being confiscated for the duration of the training, in accordance with Training and Operations Manual 0605.4(d), and/or discipline, up to and including termination from RTC-NE. In previous years, staff cadet cell phones have been confiscated due to the actions of one or two cadets.

RTC-NE reserves the right to inspect Staff Cadets' phones for adherence to these rules.

§14. Can Staff Cadets wear a watch? jewelry? makeup?

- All Staff Cadets are expected to bring and wear a watch
- Staff Cadets may not bring or wear any perfume or cologne
- Staff Cadets may wear one ring and one necklace in keeping with good taste
- Staff Cadets may not wear bracelets or anklets
- Female staff cadets E-3 to E-6 may wear one pair of silver ball earrings (approx. 4-6mm in size). Female Chief Petty Officers, Instructors, Midshipmen, and Officers may wear one pair of gold ball earrings.
- Female Staff Cadets may wear makeup/cosmetics in good taste and so that colors blend with natural skin tones. Exaggerated or faddish cosmetic styles are not authorized.
- Please note: RTC-NE is not responsible for lost or stolen property

§15. Will Staff Cadets need to have a haircut?

Male Staff Cadets should report to RTC-NE with a haircut that is short enough to still be within regulations on 15JUL17. If at any time during RTC-NE your hair is out of regulations, you will be required to get a haircut at your own expense.

Female Staff Cadets must have a hair style that can be quickly and easily styled at or above the collar of the uniform, that does not show from under the brim of any headgear, and that does not interfere with the appropriate wear of any headgear. Pony tails, braiding, or plaiting are not permitted. Faddish or outrageously colored hair is not permitted. Hair fixtures are limited to bobby pins, hair bands, barrettes (3" or shorter), or small scrunchies. Hair fixtures must be matte finished and should blend with the Cadet's hair color whenever possible. (See §2202.2(a) of the NSCC Uniform Manual for additional guidance).

Remember: *Leadership by Example!*

§16. What sort of things should Staff Cadets be prepared to teach to Recruits?

Staff Cadets are expected to know everything in the Recruit Training Command New England Recruit Manual. In particular, every staff cadet should be able to teach the what's, how's and why's of each of the following:

- [The Eleven General Orders of a Sentry](#)
- Enlisted rates & insignia of the [NSCC](#), [US Navy](#), [US Coast Guard](#), and [USMC](#)
- Officer ranks & insignia of the [NSCC](#), [US Navy](#), [US Coast Guard](#), and [USMC](#)
- [The phonetic alphabet](#)
- How to make [hospital corners](#)
- Basic [customs & courtesies](#) (who & when to salute)
- Wear & care of the uniform
- Quarterdeck procedures & watchstanding
- How to tell [military time](#)
- Military drill
- Guidon
- Color Guard
- Manual of arms (we will have 50 practice drill rifles available)

Use the [NSCC Training & Operations Manual \(Ch. 8\)](#) to learn it and teach it *the right way!*

§17. Can Staff Cadets be fired? sent home from the training?

The Commanding Officer of the Training Contingent, LCDR David I. Hull, retains sole and absolute discretion as to what billet a Staff Cadet holds. If, during the training, it becomes apparent that a Staff Cadet is not a good fit for their billet, they can and will be swapped out.

Further, LCDR Hull retains sole and absolute discretion as to when and if a Staff Cadet needs to be dismissed from training. In 2016, three Staff Cadets were dismissed for disciplinary reasons.

Cadets may also “Drop on Request” – while we do our best to convince every cadet to stick it out, RTC-NE cannot keep cadets at the training against their will.

If a Staff Cadet is dismissed, the parent/guardian will be responsible for transporting the cadet home at the earliest practicable time. Your family should not schedule a vacation during RT; someone needs to be available to pick up a cadet in case of dismissal.

There will be no refunds for cadets who are dismissed from training.

§18. How does my family get in touch with me?

Staff Cadets may use their cell phones for personal conversations when off-duty, and out of the sight & hearing of Recruits. In addition, families may correspond with you via the mail. The mailing address is as follows:

Naval Sea Cadets
CPO John P. Jones - Staff
DPT Operations
57 Queenstown Street, Box 9
Fort Devens, MA 01434-5409

Mail is private, but all packages will be inspected.

§19. Can I receive visitors aboard Fort Devens?

No.

§20. Will liberty be granted to the staff?

With sufficient warning to their Department Head, Escort Officers may leave Fort Devens to attend to work or family commitments if their duties can be covered by staff on-hand.

Staff Cadets may be granted (supervised) liberty one night in the second week of training.

§21. What does my family need to know for graduation?

Graduation will take place at 1100 on Saturday 15JUL17 and will last approximately one hour. There is no limit to the number of guests who may attend for each Cadet. If your friends and family want to watch the ceremony, please remind them to arrive early – the line at the gate can be 45 minutes or more. Please note: most Staff Cadets will be working during the ceremony and will not be “visible”. Also, Recruits will be dismissed immediately upon the conclusion of the ceremony, but Staff Cadets may be required to stay behind to help secure the facilities.

Any adult wishing to access Fort Devens (parents, family members, guests, drivers, passengers, etc.) must provide their full name and a clear photocopy of their driver’s license (or other government-issued photo ID) with their cadet’s application packet. LCDR Hull must have these photocopies in-hand no later than June 5th to ensure guests’ access to the base. Warn your guests that they will be turned away if they have not provided their full name and a clear copy of their ID.

The location of graduation aboard Fort Devens is TBD; guests will see signs and staff cadets directing them to parking and seating areas. There won’t be enough seating for everyone – tell your guests to bring camping/beach chairs. The graduation will be outdoors, rain or shine; please warn your guests to wear weather-appropriate clothes and to bring sunscreen and water. Photography is encouraged!

§22. Facebook – following RTC-NE

Encourage family, friends, and unit staff to visit <https://www.facebook.com/rtcne> regularly during the training for photos of the training contingent and information about the Recruits’ activities. Do not use Facebook to contact the staff of RTC-NE (see §§23-24).

§23. Whom do I contact if I have a question about the training?

First, please carefully check this guide, the RTC-NE Standard Operating Procedures, and www.newenglandseacadets.org/training/rtc to see if your question has already been answered.
